

Lesson 3: Pets and Working Animals

Worksheet 3: Cat Body Language and Safety Around Cats

Friendly Cats

List four different kinds of body language shown by friendly, or happy, cats. Remember to focus on the tail, ears, eyes, and whiskers. Then describe what is the best way to behave around these cats.

1.

2.

3.

4.

Aggressive or Scared Cats

List four different kinds of body language shown by aggressive (hostile) or scared cats. Focus again on the tail, ears, eyes, and whiskers. Then describe what is the best way to behave around these cats.

1.

2.

3.

4.
